CAPABILITY STATEMENT

www.accessproductsinc.com

Providing easier *access* to more *products* since 1986.

Access Products Inc. is a proud awardee of the GSA IT Requisition Channel contract. The IT Requisition Channel is a collection of contract vehicles that enable all military entities to streamline supply chain management for an array of Desktops, laptops, rugged tables, printers and monitors. The program achieves long term savings for Federal Agencies, trusted sourcing and knowledgeable support staff to fill all their IT needs. Access Products is also a proud awardee of the GSA Maintenance Repair Facility Supplies (MRFS) contract. This contract is a collection that will help streamline the process of purchasing maintenance, repair, janitorial, and sanitation products governmentwide. Benefits include low to no minimum orders, small business participation, order status and tracking provided, streamlined product offerings, and the BPA reduces the need for standalone agency contracts.
